JACOBS FLIGHT SERVICES, LLC

GENERAL INFORMATION

Jacobs Flight Services, LLC offers complete flight training under FAR 61 & 141. Additionally, Jacobs Flight Services, LCL offers aircraft insurance checkouts, high performance and complex aircraft training.

Jacobs Flight Services, LLC offers flight training for the Private, Instrument, Commercial, Flight Instructor, and Airline Transport Pilot Licenses in both single and multiengine aircraft.

Jacobs Flight Services, LLC has exceptionally maintained aircraft for instruction and rental. The fleet includes single engine aircraft from the Cessna fleet. All aircraft are equipped with GPS and intercoms for increased comfort and safety. Professional full-time flight instructors with years of Corporate, Airline and Aviation Department Management are available for training for any of the above licenses, as well as for rental checkouts, Flight Reviews, Instrument Competency Checks, or the Pilot Proficiency Program. For more information on any of the flight training programs offered or to schedule an introductory flight, call or email today.

PRIVATE PILOT TRAINING

A program of 40 flight hours and 40 ground training hours leading to the Private Pilot Airplane Certificate.

INSTRUMENT RATING COURSE

A 35-hour flight course leading to the Instrument Rating. Entering students must hold at least a Private Pilot Certificate.

COMMERCIAL/INSTRUMENT COURSE

Designed to transition the Private Pilot in a total of 250 hours of flight time from the Private Certificate through the Single Engine, Commercial and Instrument Ratings.

LAKE OKEECHOBEE TOUR FLIGHTS

Take a tour of the lake and get a birds eye view of fishing hot spots or simply enjoy the beautiful sunsets that Clewiston has to offer.

COMPLEX/HIGH PERFORMANCE

Designed to prepare the pilot for piloting a high performance and/or complex aircraft.

FLIGHT INSTRUCTOR AIRPLANE

A flight course designed to prepare the pilot to earn the Single Engine Flight Instructor Certificate. Students must have a Commercial Certificate and Instrument Rating.

GARMIN 430 GPS TRAINING

Aircraft and simulator equipped with Garmin GNS 430 GPS. Basic and advanced training available.
